Client: St Michael's Junior School, Maidstone

Programme: 1 Day

Construction Details: Installation, Manufacture, Safety Laminate Glass Fitted, Slow Grown European Oak, Wood Preserver Application, Wood Stain Application

View this case study on WallerServices.com

Oak Entrance Door Installation

We carried out this oak entrance door installation at St Michaels Junior school, Maidstone. We were asked to replace the current ageing European oak main entrance door. Therefore we manufactured a bespoke new door that was stained with a timber preservative finish to match the existing frame. We also upgraded the glass to safety laminated glass to make it compliant with current regulations. As can be seen the result was a unique bespoke entrance door.

Waller Building Services

In the last five years, Waller Building has worked in over 125 schools. Our reputation in the education sector is growing fast. The building services we provide include smaller refurbishments through to extensions and new builds. Waller Building is a Fensa, Chas, Constructionline and Safecontractor approved company. We are also a Kent County Council approved contractor. All of our workmen are DBS checked. This means you can be assured that our staff are suitable to work in schools. You can be confident that we are a company that is built on trust. If your school is planning any size of building project, we would be delighted to provide you with a quotation. Furthermore we would be happy to price any maintenance or refurbishment works for your school.

Building Services in Schools

We cover all of the services that a school would require. This includes, toilet and kitchen refurbishments. We also install fencing, flooring and carry out complete new builds. Check out our website to see projects we have completed. Additionally, view the case studies of the services we have recently completed.

Waller Glazing Services

We also have a glazing division that works with schools. Waller Glazing projects range from glass repairs through to complete window installations.
