Conservatory with Self Cleaning Ultraframe Roof

We have recently installed a conservatory with self cleaning Ultraframe roof to a residential premises in Rainham, Kent.- The conservatory took 3 days to erect from start to finish. It is fitted with a ***self cleaning Ultraframe roof*** which is both self draining and self supporting. As always the glass for this project carries our **10 year guarantee**. The result was this lovely conservatory which adds additional space to this property.

Waller Glazing Services

Waller Glazing services works include window repairs. This consists of double glazed units, window handle and hinges. We also carry out complete aluminium and uPVC window and door installations.-Furthermore we would be happy to price any maintenance or repairs. We stock a large range of fire and safety glass which we can cut to size while you wait.
