Renovation and Modernisation of a Period Property

After purchase, the client asked us to carry out a full renovation and modernisation of -a period property. while still retaining the period features and feel to the building. We installed a high quality bathroom and kitchen along with new appliances. The heating and electrics were fully replaced and new services run. New floor coverings were also laid throughout.

Waller Building Services

Established in 1993, Waller Building Services has been growing ever since. We regularly work in the residential and commercial sectors. Clients include schools, local authorities and private customers. Our building services consist of smaller refurbishments through to extensions and new builds.- Waller Building Services is a Fensa, Chas, Constructionline and Safecontractor company. We are also a Kent County Council contractor.-You can be confident that we are a company that you can trust. Additionally, if you are planning any size of building project, we would be delighted to provide you with a quotation.

Waller Glazing Services

Waller Associates introduced Waller Glazing Services in 2010. The glazing projects range from glass repairs through to complete window and door installations. Our customers are commercial and residential. You can view examples of our glazing projects on our web site. Equally you can also see our building case studies on the website.
