PROJECT 116: Steps and Handrailing

Client: Housing Association

Programme: 1 Week

Construction Details: Disable access, Groundworks, Handrails, Pathway, Steps

View this case study on WallerServices.com

Steps and Handrailing

An elderly tenant was having access problems to her property. The housing association associated to the building asked us to install a new pathway with steps and handrailing. This work will allow the tenant to safely leave and access their property for years to come.

Commercial Building

Commercial building is a growth area for Waller Building. We work in the education and healthcare sectors. The retail sector is also an area of -growth. This is due to many warehouse developments in the south east. We install toilet and kitchen areas. We also install commercial window and doors. For examples of our services, take a look at our commercial glazing case studies.

Waller Building

In the last 25 years, Waller Building has worked on many commercial projects. Our reputation is growing fast. The services provided range from refurbishment through to extensions and complete new builds. Additionally our glazing department repairs windows and glass. We also install uPVC and aluminium windows and doors. One of the major areas that we are continuing grow is window replacement in schools. Waller Building is -Fensa, Chas, Constructionline and safecontractor approved. We are also a Kent County Council approved contractor. You can be assured that we are a company that is built on trust. If you are planning a building project we would be delighted to provide you with a quotation. We would also be happy to give you a price for any refurbishment works.
