Project 125: Decorating School Metal Railings

Client: Meadowfield School Sittingbourne

Programme: 8 Days

Construction Details: Decoration, Fencing

View this case study on WallerServices.com

Decorating School Metal Railings

Decorating School Metal Railings – as with any school, public building or commercial premises the main entrance is always the area that is seen first by all visitors. Meadowfield School had a perimeter fence that was looking rather neglected. The fence itself was in a relatively good condition, so all that was needed was a thorough clean down and a coat of a high quality metal paint and as you can see the transformation was amazing. The school was extremely pleased with the finished result and the workmanship of the operatives involved.

Waller Building Services

In the last five years, Waller Building has worked in over 125 schools. Our reputation in the education sector is growing fast. The building services we provide include smaller refurbishments through to extensions and new builds. Waller Building is a Fensa, Chas, Constructionline and Safecontractor approved company. We are also a Kent County Council approved contractor. All of our workmen are DBS checked. This means you can be assured that our staff are suitable to work in schools. You can be confident that we are a company that is built on trust. If your school is planning any size of building project, we would be delighted to provide you with a quotation. Furthermore we would be happy to price any maintenance or refurbishment works for your school.

Building Services in Schools

We cover all of the services that a school would require. This includes, toilet and kitchen refurbishments. We also install fencing, flooring and carry out complete new builds. Check out our website to see projects we have completed. Additionally, view the case studies of the services we have recently completed.

Waller Building Services

We also have a glazing division that works with schools. Waller Glazing projects range from glass repairs through to complete window installations.
