Studio Refurbishment

We were asked carry out this studio refurbishment. We needed to strip out everything internally which included a block work wall dividing the unit into two. The rest of work entailed re-leveling the floor, blocking up old openings and insulating between the roof trusses. Additionally we creating a DDA compliant toilet, replaced the windows and front door as well as installing security roller shutters. We also created a parking bay at the entrance to the unit.

Waller Building Services

Established in 1993, Waller Building Services has been growing ever since. We regularly work in the residential and commercial sectors. Clients include schools, local authorities and private customers. Our building services consist of smaller refurbishments through to extensions and new builds.- Waller Building Services is Fensa, Chas, Constructionline and Safecontractor registered. Waller Building is also Kent County Council registered.-You can be confident that we are a company that you can trust.
