Stadium Business Park Training Centre

Stadium Business Park Training Centre – The Inclusion service found a modern industrial unit that was found to be fit for purpose and the empty unit was then transformed by the installation of a new mezzanine floor. This provide enough space for 5 training rooms, a communal area, kitchen, mentor room, male and female toilets, a reception and an office for all of the staff. Throughout this project we worked with building control to ensure that we met all of the current regulations which included insulation, ventilation and fire precautions. The staff were really pleased with the outcome of the project, especially the turnaround time. We were under pressure from the start to have the centre up and running for the new term, but following good co-operation from The Swale Inclusion Service and our work force, we were able to complete the project in 7 weeks.

Commercial Building

Commercial building is a growth area for Waller Building. We work in the education and healthcare sectors. The retail sector is also an area of -growth. This is due to many warehouse developments in the south east. We install toilet and kitchen areas. We also install commercial window and doors. For examples of our services, take a look at our commercial glazing case studies.

Waller Building

In the last 25 years, Waller Building has worked on many commercial projects. Our reputation is growing fast. The services provided range from refurbishment through to extensions and complete new builds. Additionally our glazing department repairs windows and glass. We also install uPVC and aluminium windows and doors. One of the major areas that we are continuing grow is window replacement in schools. Waller Building is -Fensa, Chas, Constructionline and safecontractor approved. We are also a Kent County Council approved contractor. You can be assured that we are a company that is built on trust. If you are planning a building project we would be delighted to provide you with a quotation. We would also be happy to give you a price for any refurbishment works.
