PROJECT 188: Rear Extension to Residential Property – Rainham

Client: Private Client in Rainham

Programme: 20 Weeks Overall

Construction Details: Aluminium glazing, Brickwork, Carpentry, Ground Works, GRP flat roofing, Pre-finished Render, Screeding, Structural alterations

View this case study on WallerServices.com

As the design was to give the rear of the property an art deco feel, high specification black aluminium windows and doors were installed along with a striking brilliant white render to the external walls and the works were carried out to a very high standard in order to meet the client's requirements

Building on trust... together
