Project 209: Youth Club Security Fencing

Client: Kent County Council

Programme: 10 Weeks Overall

Construction Details: Anti-Climb System Installation, Ground Works, Steel Security Fencing Installation

View this case study on WallerServices.com

Youth Club Security Fencing

This project involved erecting Youth Club Security Fencing. The main aim was to prevent trespassing onto the site of a youth centre's premises. Works entailed cladding the existing ball court fence with steel mesh fence panels. These were up to a height of 3 metres. Additionally we erected steel mesh fencing with heavy duty steel posts to areas of dead ground at each end of the court. We also installed new security fencing above an existing boundary wall. Anti-climb barriers to the perimeter of the single storey buildings within the site were also inserted. The Project also included the installation of new high level floodlights to the ball court. Anti-climb barriers to each floodlight post installed as protection. The works were completed to a very high standard leaving the client extremely pleased with the end result.

Commercial Building

Commercial building is a growth area for Waller Building. We work in the education and healthcare sectors. The retail sector is also an area of -growth. This is due to many warehouse developments in the south east. We install toilet and kitchen areas. We also install commercial window and doors. For examples of our services, take a look at our commercial glazing case studies.

Waller Building

In the last 25 years, Waller Building has worked on many commercial projects. Our reputation is growing fast. The services provided range from refurbishment through to extensions and complete new builds. Additionally our glazing department repairs windows and glass. We also install uPVC and aluminium windows and doors. One of the major areas that we are continuing grow is window replacement in schools. Waller Building is -Fensa, Chas, Constructionline and safecontractor approved. We are also a Kent County Council approved contractor. You can be assured that we are a company that is built on trust. If you are planning a building project we would be delighted to provide you with a quotation. We would also be happy to give you a price for any refurbishment works.
