Stables Alterations

Stables Alterations. At this private dwelling Waller Building Services made alterations to the layout of the basement area. This was to form a self-contained living space including an open plan kitchen with a diner & reception room. Additionally a bedroom, bathroom and walk in dressing room come wardrobe were formed. On the first floor we altered the layout of one of the bedrooms to form a dressing room with en-suite bathroom. Two roof lights were fitted to bring in as much natural as light possible. The most difficult part of the project was routing the bathrooms wastes out to the existing waste connections.

Waller Building Services
