Garden Landscaping

This beautiful grade II listed building has undergone a full restoration programme over the last 3 years. Additionally the owner was now focusing their attention to the garden landscaping. This consisted of the surrounding drive and gardens. By worked closely with the client throughout the project. Consequently the design was allowed to evolve while the works were taking place. This special relationship produced an outside area that excelled the client's expectations. They are looking forward to enjoying their new outside space for the years to come.

Waller Building Services

Established in 1993, Waller Building Services has been growing ever since. We regularly work in the residential and commercial sectors. Clients include schools, local authorities and private customers. Our building services consist of smaller refurbishments through to extensions and new builds. Waller Building is -Fensa, Chas, Constructionline and safecontractor approved. As well as having Kent County Council approval.-You can be confident that we are a company that is built on trust. If you are planning any size of building project, we would be delighted to provide you with a quotation. You can See examples of our building works by viewing the case studies on our website.

Waller Glazing Services

Waller Associates introduced Waller Glazing Services in 2010. This means that we carry out all of the works in our projects. Our glazing projects include window, door and glass repairs. We also carry out complete window and door installations. You can see examples of our glazing works by viewing the case studies on our website.
