Reflection Area

St Peter's was looking to add a reflection area for the school. For this smaller project Waller Building Services, together with one of our clients,carried out this project for their local primary school. This was for the charity Give and Gain Day. Due to the location of the school, space is limited and the headteacher requested an area for pupils to be able to sit and relax. Waller Building Services supplied and constructed the materials for the reflection area, which consisted of a pergola with raised wooden flowerbed. This area is now a place where children can go and enjoy some quiet time.

Waller Building Services

In the last five years, Waller Building has worked in over 125 schools. Our reputation in the education sector is growing fast. The building services we provide include smaller refurbishments through to extensions and new builds. Waller Building is a Fensa, Chas, Constructionline and Safecontractor approved company. We are also a Kent County Council approved contractor. All of our workmen are DBS checked. This means you can be assured that our staff are suitable to work in schools. You can also be confident that we are a company that is built on trust. If your school is planning any size of building project, we would be delighted to provide you with a quotation. Furthermore we would be happy to price any maintenance or refurbishment works for your school.

Building Services We Provide in School

We cover all the building as well as glazing services that a school would require. This includes, toilet and kitchen refurbishments. We also install fencing, flooring and carry out complete new builds. Check out our website case studies to see projects we have recently completed.
