Reception Alterations

We were asked by the client to produce cost effective reception alterations. A contemporary design that would both enhance the reception and provide a more secure location for the staff to work from was needed. -Our solution consisted of forming a glazed screen within a new stud work partition whilst utilising their existing desks. This gave a sleek, modern effect to draw visitors towards the reception area. -The works were carried out during the summer holiday period, to a modest budget and all to the clients satisfaction.

Waller Building Services

In the last five years, Waller Building has worked in over 125 schools. Our reputation in the education sector is growing fast. The building services we provide include smaller refurbishments through to extensions and new builds. Waller Building is a Fensa, Chas, Constructionline and Safecontractor approved company. We are also a Kent County Council approved contractor. All of our workmen are DBS checked. This means you can be assured that our staff are suitable to work in schools. You can also be confident that we are a company that is built on trust. If your school is planning any size of building project, we would be delighted to provide you with a quotation. Furthermore we would be happy to price any maintenance or refurbishment works for your school.

Building Services We Provide

We cover all the building as well as glazing services that a school would require. This includes, toilet and kitchen refurbishments. We also install fencing, flooring and carry out complete new builds. Check out our website case studies to see projects we have recently completed.
