Luxury En Suite

A retired professional couple had a vision to create an additional en suite. They requested that it was to be the same standard as the rest of their prestigious home. With this in mind, we kept to a strict design de

Bespoke Fixtures and Fitting

Following the design produced by a local architect Kent Design Studio. We achieved a lovely new en suite with highlights of a walk in shower with bespoke screen. Additionally we installed a hand built Oak framed vanity system and new glazed door.

Building Control Approval

All works were overseen by the local authority. The borough council made sure that the new drainage connection as well as with ventilation system works were fully compliant.

The clients are extremely pleased with the completed room. It is a great addition to their home. Furthermore they are looking forward to using it for many years to come.

Waller Building Services

Waller Building Services was established in 1993 and has been growing ever since. We regularly work in the residential and commercial sectors.
