Home Improvements

These home improvements consisted of structural alterations to form a kitchen/dining room. -Converting a loft space to provide two additional bedrooms with en suite. The refurbishment of the two bathrooms, three bedrooms and structural works to form a corner window within the new dining room along with new flooring and decorations throughout. The works were carried out to a superb standard and to the client's satisfaction.

Waller Building Services

Established since 1993, Waller Building Services has been growing ever since. We regularly work in the residential and commercial sectors. Clients include schools, local authorities and private customers. Our building services consist of smaller refurbishments through to extensions and new builds.- Waller Building Services is a Fensa, Chas, Constructionline and Safecontractor registered. You can be confident that we are a company that you can trust. If you are planning any size of project, we would be delighted to provide you with a quotation. You can see examples of our building works by viewing the case studies on our website.

Waller Glazing Services

Waller Associates introduced Waller Glazing Services in 2010. This means that we carry out all of the works in our projects. Our glazing projects include window, door and glass repairs. In addition we also carry out complete window and door installations. You can see examples of our glazing works by viewing the case studies on our website. Many of our case studies are of projects that we have completed in the education sector in schools throughout the south east of England. We install both aluminium windows and doors.
