Maidstone Primary School Toilet Refurbishment

We have recently completed this Maidstone primary school toilet refurbishment. Greenfields Community Primary School asked us to provide a quotation to completely refurbish the nursery toilets. The space was home to two toilets and a shower cubicle. The staff wanted a room that was lighter, more colourful and to swap the shower cubicle for another toilet. The school opted for hygiene cladding opposed to painted walls creating a room that is fully cleanable. Cubicles with printed designs adds a splash of colour to the room. Additionally, we installed junior toilet pans for the younger children. We replaced the original ceiling with wipeable ceiling tiles and new LED lighting.-The final look resulted in a new, clean and modern look.

For information on other building and glazing projects that we carry out in schools, please click on the following link-https://wallerservices.com/schools-education-clients/

Waller Building and Glazing Services

In the last six years, Waller Building has worked in over 135 schools. Our reputation in the education sector is growing fast. The building services we provide include smaller refurbishments through to extensions and new builds. Waller Building is a Fensa, Chas, Constructionline and Safecontractor registered. We are also a Kent County Council approved contractor. All of our workmen are DBS cleared. This means that our staff are suitable to work in schools. If your school is planning any size of project, we would be delighted to provide you with a quotation. Furthermore we would be happy to price any maintenance or refurbishment works for your school.

Building Services We Provide In Schools

We cover all the building as well as glazing services that a school would require. This includes, toilet and kitchen refurbishments. We also install fencing, flooring and carry out complete new builds. Check out our website case studies to see projects we have recently completed.

Glazing Services We Provide In Schools

We carry out works from window and hinge repairs through to complete aluminium and uPVC window and door installations.
