Pharmacy Dispensary Reconfiguration

This pharmacy dispensary reconfiguration was undertaken at an extremely busy pharmacy in Kent. To ensure the least amount of disruption, we worked closely with the pharmacy staff to make sure that the project could be carried out during normal opening hours. It was essential that our works didn't disrupt the important work carried out at the pharmacy.

Reconfiguration

A reconfiguration of the pharmacy was required to accommodate a new medication dispensing robot. The works included a complete new layout which incorporated electrical and essential data alterations. In addition, the project also included supplying a new bespoke sales counter and shop floor display shelving. The whole area now meets the criteria set to incorporate the robot and provide an improved shop space area to display medical consumables.

For more examples of commercial works carried out by Waller Building and Glazing Services please click on the following link-https://wallerservices.com/commercial-clients/

Commercial Building

Commercial building is a growth area for Waller Building. We work in the education and healthcare sectors. The retail sector is also an area of growth. This is due to many warehouse developments in the south east. We install toilet and kitchen areas. We also install commercial window and doors. For examples of our services, take a look at our commercial glazing case studies.

Waller Building

In the last 25 years, Waller Building has worked on many commercial projects. Our reputation is growing fast. The services provided range from refurbishment through to extensions and complete new builds. Additionally our glazing department repairs windows and glass. We also install uPVC and aluminium windows and doors. One of the major areas that we are continuing grow is window replacement in schools. Waller Associates is Fensa, Chas, Constructionline and safecontractor approved. We are also a Kent County Council approved contractor. We would also be happy to give you a price for any refurbishment works.
