Year R Toilet Refurbishment

We carried out this Year R Toilet Refurbishment during the school summer holidays. Bronte School wanted to provide a toilet facility for year R students that matched previous areas of the school that we installed. By reconfiguring the layout, we managed to add an additional cubicle along with the installation of a solid surface sink trough which provided hand washing facilities at anyone time.

The school was really pleased that we had managed to utilise the existing area and enhance the facilities on offer.

Building Services We Provide In Schools

The building services we provide include smaller refurbishments through to extensions and new builds. We cover all the building as well as glazing services that a school would require. This includes, toilet and kitchen refurbishments. We also install fencing, flooring and carry out complete new builds. Check out our website case studies to see projects we have recently completed.

Glazing Services We Provide In Schools

We carry out works from window and hinge repairs through to complete aluminium and uPVC window and door installations.
