School Staff Toilet Refurbishment

We carried out this school staff toilet refurbishment project at the beginning of the summer holidays. The school was looking to refresh and mordernise the look of the toilets that are used by staff and visitors with both ladies and gents toilets being revamped. As well as a fresh new look, the school was aiming to create a hotel style, contemporary feel.

The school was delighted with the completed project and were very happy that the toilets complimented the style of the school.
